ABOUT ME

Vedant Agrawal is a 15-year-old student innovating at the intersection of computer science and finance. He founded BookHub and ClearRead, initiatives focused on improving access to books and digital readability. Skilled in programming, public speaking, and writing, he leads his school as the **Vice Head Boy**, combining technical execution with analytical thinking.

EXPERIENCE

ClearRead

2025 - PRESENT

Founder

- Founded and developed a browser extension improving digital readability for neurodivergent users, offering customizable fonts, spacing, filters, read-aloud, and text simplification tools.
- Today, ClearRead is in over **50 Countries worldwide with 1000+ Users**.
- Designed and programmed accessibility tools, conducted workshops, led finances, and coordinated partnerships.
- Selected as a Semi-Finalist at the Diamond Challenge 2026.

BookHub

2025 - PRESENT

Co-Founder and Head of Business & Operations

- Built and scaled a community book-sharing platform with 200+ books, connecting readers to exchange pre-owned books affordably.
- Led concept development, app development, partnerships, marketing, and expansion while managing a 10+ member student team.
- Featured and interviewed by the Ashoka University YSP Media Team.

Writer and Blogger (Medium.com)

2023 - PRESENT

- Published 30+ articles on technology, finance, AI, and global affairs
- 3,000+ reads, 1,000+ claps, 170+ Followers
- Featured in Illumination (300K+ Followers), Write a Catalyst (178K+ Followers) and Editor of Deep Chat and The Youth Prism.
